THE PASSION BEHIND VISMARA POOL TABLES

The creation of our pool tables is an ode to true beauty, it is passion becoming tangible. Research and in-depth study shape the idea; ability and experience can turn it into reality.

Our skillful artisans orchestrate each phase to forge visions and convey emotions.

Minds are meant to conceive, hands to create. While the idea takes shape, the creation aims for perfection.

Perfection is an illusion, albeit with a glimpse of excellence that can be found in every harmonious detail of our pool tables.

POOL TABLE 2020

Dandy, is the new pool table by Vismara. Its beauty comes from its simplicity: clean lines, essential design and precious materials. Its greatest quality is the perfect balance between form and function.

The upper part of the sides is in canaletto walnut veneer. The Dandy pool table is paired with a free standing cue holder, complete with balls and cues.
