

DANDY Pool Table

MC.POO.DAN

Description

Dandy, is the new pool table by Vismara. Its beauty comes from its simplicity: clean lines, essential design and precious materials. Its greatest quality is the perfect balance between form and function. It is a professional pool table, whose top is in slate covered with cloth, by the leading company Simonis.

The whole structure is entirely covered in leather, as are the pockets. The upper part of the sides is in canaletto walnut veneer. The Dandy pool table is paired with a free standing cue holder, Bobo, complete with balls and cues.
