

NEWDE Pool Table

NWD.POO

Description

Vismara Design Newde Pool Table is realized following the Italian manufacturing tradition and using top quality materials. The framework is in solid mahogany, the playing surface is made of slate sheets and coated with a professional soft cloth, produced by the leading company Simonis. The attention to details is also reflected in the coverage of pockets, rigorously in leather or eco leather.

Vismara Pool Tables are available in different kind of cue games, from Snooker to American Pool, from Russian Pyramid to Italian Billiard.

All Vismara Pool Tables can be accompanied by professional pool lamps which provide a diffused lighting perfect for playing. Furthermore, the client can choose between three different models of cue racks to complete the entire pool room.
