

REGIS Pool Table

LE.POO.RG

Description

Regis is an elegant and refined pool table, which maintains all the characteristics typical of professional gaming tables. The soft lines and the sinuous design makes it a light and sophisticated element.

The game surface is in slate slabs covered with game cloth from the leading company Simonis. The pockets are covered with leather. The structure is covered with leather and embellished with golden/chromed steel details of cues, balls and triangle.
